The Albert Medal 2nd Class, For Gallantry in Saving Life on Land, inscribed "Presented by His Majesty to Private James Dunn, Coldstream Guards, for gallantry in saving life in France on the 12th June 1918."

∴ *London Gazette 30th August 1918. On the evening of 12 June 1918 several trucks loaded with heavy ammunition caught fire causing an explosion. Several men were wounded and some lay underneath the burning truck. Dunn at once rushed forward regardless of his own safety and carried two of the wounded men to a shelter trench close by, where he rendered first aid. He then returned to the assistance of the other wounded men, when a second explosion took place, notwithstanding this, and also the very grave danger of further explosions, he continued to assist the wounded and help those who were lying helpless under the burning trucks. His bravery, coolness and prompt action undoubtedly saved several men from being burnt to death.*

END OF SALE.

PRICED CATALOGUES.

*A*FTER each sale these catalogues are issued with the prices realised printed in the margin opposite each lot, thus giving at a glance a reliable guide to values.

The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading.

On the average we issue twelve Coin and Medal catalogues a year, some of which are usually of sales of important collections. The **priced catalogues** are posted to subscribers as soon as ready, usually about a week after the date of sale and the subscription is

ONE GUINEA per annum.
